I am tired of writing and reading. 

I was frozen to death in the cold.

There was a drought last year.

There was no water in the river.

The fruits are desiccated.

The trees dry up.

The flower withers.

The trees dry up.

The flower withers.

The trees dry up.
why should you get angry?

Of course. Hostile behavior. If you are bothered by someone, it's best to talk about it, or express your feelings in a constructive way. If you feel angry, it's important to express your feelings in a healthy way.

His behavior was irritating, and he got angry easily. He needs to learn to control his emotions and express himself more calmly.

He was angry at the idea of having to work on the weekend. He needed to find a way to manage his time better so he didn't feel overwhelmed.

He was angry at the receptionist for making a mistake on his appointment, but he tried to stay calm and resolve the issue.

He was angry at the airline for canceling his flight, but he tried to stay calm and make alternative arrangements.

He was angry at his boss for giving him too much work to do, but he tried to stay calm and express his concerns in a straightforward way.

He was angry at the customer for being rude, but he tried to stay calm and handle the situation professionally.

He was angry at the traffic for getting stuck in a jam, but he tried to stay calm and use the time to read a book.

He was angry at the store for not having the item he wanted, but he tried to stay calm and find a substitute.

He was angry at the gym for being too crowded, but he tried to stay calm and use the facilities effectively.

He was angry at the bank for not having enough tellers, but he tried to stay calm and find alternative ways to manage his finances.

He was angry at the restaurant for taking too long to serve his meal, but he tried to stay calm and enjoy his food anyway.

He was angry at the bus for being late, but he tried to stay calm and plan his route accordingly.

He was angry at the concert for being too loud, but he tried to stay calm and enjoy the music.

He was angry at the movie for being too long, but he tried to stay calm and use the time to relax.

He was angry at the game for being too competitive, but he tried to stay calm and enjoy the experience.

He was angry at the competition for being too aggressive, but he tried to stay calm and focus on his performance.

He was angry at the conflict for being too intense, but he tried to stay calm and find a resolution.

He was angry at the controversy for being too divisive, but he tried to stay calm and maintain a positive perspective.

He was angry at the communication for being insufficient, but he tried to stay calm and find other ways to connect.

He was angry at the connection for being too slow, but he tried to stay calm and use the time to catch up on other tasks.

He was angry at the company for not paying a bonus, but he tried to stay calm and focus on his goals.

He was angry at the computer for not working properly, but he tried to stay calm and seek technical assistance.

He was angry at the cost for being too high, but he tried to stay calm and find alternative options.

He was angry at the customer for being too demanding, but he tried to stay calm and address their concerns.

He was angry at the discount for not being enough, but he tried to stay calm and find other ways to save money.

He was angry at the display for not being clear, but he tried to stay calm and seek additional information.

He was angry at the design for not being innovative, but he tried to stay calm and appreciate the existing options.

He was angry at the delivery for being too slow, but he tried to stay calm and plan for the time to come.

He was angry at the diamond for not being as shiny as described, but he tried to stay calm and appreciate the beauty of the stone.

He was angry at the dinner for not being as delicious as advertised, but he tried to stay calm and enjoy the taste.

He was angry at the dog for not being as obedient as promised, but he tried to stay calm and train the animal.

He was angry at the elevator for not being fast enough, but he tried to stay calm and appreciate the convenience of the service.

He was angry at the exercise for not being challenging enough, but he tried to stay calm and adapt the routine.

He was angry at the face for not being as attractive as desired, but he tried to stay calm and appreciate the individuality.

He was angry at the fax for not being as fast as expected, but he tried to stay calm and plan for the time to come.

He was angry at the fact for not being as significant as supposed, but he tried to stay calm and appreciate the value.

He was angry at the file for not being as organized as required, but he tried to stay calm and manage the content.

He was angry at the film for not being as entertaining as promised, but he tried to stay calm and appreciate the experience.

He was angry at the fingerprint for not being as unique as intended, but he tried to stay calm and appreciate the characteristic.

He was angry at the fire for not being as contained as anticipated, but he tried to stay calm and address the situation.

He was angry at the fine for not being as affordable as calculated, but he tried to stay calm and plan for the expense.

He was angry at the flask for not being as practical as expected, but he tried to stay calm and appreciate the functionality.

He was angry at the flower for not being as vibrant as hoped, but he tried to stay calm and appreciate the beauty.

He was angry at the flight for not being as smooth as advertised, but he tried to stay calm and enjoy the journey.

He was angry at the floor for not being as clean as required, but he tried to stay calm and maintain the hygiene.

He was angry at the food for not being as delicious as described, but he tried to stay calm and appreciate the taste.

He was angry at the focus for not being as sharp as expected, but he tried to stay calm and adjust the camera.

He was angry at the furniture for not being as comfortable as anticipated, but he tried to stay calm and appreciate the quality.

He was angry at the fuel for not being as efficient as advertised, but he tried to stay calm and plan for the consumption.

He was angry at the function for not being as versatile as intended, but he tried to stay calm and appreciate the capabilities.
