The manuscript bears a statement of ownership in the name of Sulaymān b. Sāliḥ al-Bassām. Ibn Bassām, in "Ulamā‘ Najd" (1/421), wrote that "which I have read in this Mukhtasar concludes with (events at) the end of AH 1237/1821 and then jumps to an event which occurred in AH 1283/1866." It is known that Ibn Bishir did not reach this far in the text which has come down to us. Moreover, the Mukhtasar did not conclude in a way which would indicate its completion.
